

Endeavour 35

A STATEMENT OF EXCELLENCE

INTERIOR

The interior shown above combines all of our design aims pertaining to each area of the yacht. The head area sports a wet locker, generous storage and a stall shower. The main cabin utilizes the boat's maximum beam. The extraordinary result is shown above. Our galley and charting area are aft and are detailed to the human necessities that make each a workable area and a statement of excellence.

L.O.A.: 35'5"
L.W.L.: 29'6"
Beam: 12'2"
Draft: 4'11"

Displacement: 13,250 lbs.
Ballast: 5,630 lbs.
Sail Area: 671.5 sq. ft.
Designer: Bruce Kelley

A sincere conviction on the part of ENDEAVOUR YACHTS impelled us to build a new boat thirty-five feet in length. Considering the temper of the time, we feel this to be an extraordinary step.

Combining new and incredibly strong materials, the ENDEAVOUR 35 hull became an exceptional performer. Designer, Bruce Kelley, has given the boat the proportions necessary to be very fast upwind and the room below to accommodate our important and essential layout.

The ENDEAVOUR YACHTS joinery in teak cabinet work is exceptional. Our satin varnish interior, unique and comfortable cockpit, combine to make living aboard for a day, or a year, a happy and comfortable experience.

We at ENDEAVOUR are very proud of this effort. The boat is successful and very complete. It may just be the one quality sailboat that is still affordable.
